PUBLIC NOTICE

As the Zuni Utility Department responds to COVID-19, we are focused on maintaining critical services to you while ensuring the health and well-being of our employees and customers.

The Zuni Utility Department would like to notify the public, that we have made a determination to post-pone water disconnections for those accounts that are in arrears, until further notice. We strongly encourage our customers to continue in making regular payments on their account, as this determination is only being made to ensure everybody's well-being and safety during this period of time. We need everybody to have the essential water services to make sure they protect themselves and their families.

Payments can still be made through Finance over the phone or by money order. If paying by money order, please attach your payment stub to insure proper posting to your account. If you have any questions or concerns, please contact the Finance Department at 782-7146. Thank you for your cooperation.
