

2021 Fishing Opportunity

Nutria #4 Lake will be reopening for spring and summer fishing but will require a few steps to be taken before you are able to fish.

Permit sales will begin the morning of April 9, 2021.

- Fishing opportunities will be granted to the **Zuni Tribal Community (Including: Zuni IHS staff, Zuni Public School District Staff, Tribal Employees, and Non-Zuni Spouses) ONLY**. All other General Public & Other Native Americans that do not live within the Zuni Reservation are prohibited from fishing on tribal lands.
- Any individual that is of age 14-17 will need to purchase a **One Day Juvenile Permit** along with a **Habitat Stamp**. **All individuals 18 years** and older must purchase an **Adult One Day Permit** along with a **Habitat Stamp** in order to fish on tribal lands. This will be good for the spring and summer fishing seasons.
- Please present your state ID/driver's license, employment badge (showing proof of Zuni address/employment) OR a Tribal Census Card.
- **One Day Boating Permits** will be made available as well and will be good for the spring and summer seasons. **Boat at your own discretion as water levels fluctuate and aquatic vegetation tends to become nuisance.**
- The Zuni Fish & Wildlife Department (**ZFWD**), Tribal Rangers, and Zuni Police Department (**ZPD**) will be enforcing all COVID-19 health and safety protocols while fishing.
- **The following protocols must be followed:**
 - No large gatherings
 - Staying 6 ft. apart
 - Wear a mask (Unless fishing alone)
- Tribal Anglers should be mindful of all bag limits posted by the ZFWD along with other rules and regulations.
- Tribal Rangers will be enforcing Tribal Game & Fish Codes throughout the spring and summer fishing season.
- **One Day fishing permits** can be purchased at the following vendors:
 - **Speedway Gas Station**
 - **Halona Market Place**
- Follow all Tribal Nightly Curfew Rules that may be in effect during the fishing season.
- Eustace Lake & Ojo Caliente are not suitable for fishing at this time.
