

Immediate Release

By the order of the Incident Command Team in consultation and support from the Governor, Tribal Council, and Zuni Public Health Officials; the Incident Command team will decrease mitigation measures based on the current COVID-19 data provided by Zuni IHS. Changes will take effect on **Friday, April 16, 2021,**

Changes:

- Checkpoints on State Road 53 **will be** lifted
 - *Note: Checkpoints will be re-established including other protective measures in the event there is an increase in COVID positive cases.*
- Nightly Curfew enforcement will remain in effect with a one-hour extension.
 - Businesses may stay open till 9:00 PM.
 - **Nightly Curfew: 10:00 pm – 5:00 AM**

REMINDER

If you have received the COVID-19 vaccine and are fully vaccinated, you are still required to wear a face mask, wash/sanitize hands and social distance when in public. There have been reported reinfections that have occurred in cases where an individual has been fully vaccinated.

Keep in mind that the use of face masks is still required at all local businesses in order to enter a business and purchase goods & services.
