

Zuni Fish & Wildlife Department

**2024-2025 Zuni Tribal
Fishing Proclamation**

General Information

Important information you need to know before applying for any hunting or fishing activities on the Zuni Reservation. All game, fish, wildlife, natural resources, shed antler(s), skulls with antlers, all archeological artifacts and sites are protected on the Pueblo of Zuni by Tribal and Federal Law and may not be taken, possessed or transported by Non-Zuni Tribal members without proper permitting and documentation.

The sole purpose of this document is to provide written documentation for the Tribal Fishing activities provided by the Zuni Fish and Wildlife Department (ZFWD) on an annual basis. Upon the approval of the Zuni Tribal Council, this document will govern the activities of Tribal, Non-Zuni Residents, and Non-Zuni Spouse, and General Public hunting and fishing activities administered through the Zuni Fish and Wildlife Department.

The license year of the Zuni Fish and Wildlife Department Fishing Proclamation will begin May 17, 2024 and will end April 31, 2025.

By the Fishing Proclamation that has been set forth and approved by the Tribal Council, only the Zuni Fish and Wildlife Department (ZFWD) and its recognized vendors may issue small game hunting & fishing permits.

The Zuni Fish & Wildlife Department offers a variety of hunting and fishing opportunities. Hunting permits for Zuni Tribal members, Non-Zuni Residents, and Non-Zuni Spouses are available for dove, waterfowl, small game, furbearer, and coyotes. A Zuni Habitat Fee is required for all hunting, fishing, and trapping activities. The habitat fees will fund habitat improvement projects throughout the Zuni Reservation.

The Zuni Indian Reservation is Tribal Land and is not open to unauthorized public use. All visitors are expected to abide by all Zuni Fish & Wildlife and Game & Fish Department and other Tribal Regulations.

All applicants are responsible for reading and understanding the Proclamation Rules and Regulations before applying. The Proclamation Rules and Regulations, permit numbers, and permit costs are approved through the end of 2024-2025 season.

Tribal Lakes

Please call the ZFWD to check the status and the conditions of the lakes listed below.

1. Ojo Caliente – Cool water fishery. 15 miles southwest of the Zuni Pueblo. At full capacity, the lake ranges from 60-61 surface acres. The lake is spring-fed and recharged by seasonal runoff; therefore, water levels fluctuate year to year. Rainbow Trout and Channel Catfish are stocked annually to support a put-grow and take fishery.
2. Eustace Lake – Cool water Fishery. The lake is 1.8 miles east of the Main Zuni Pueblo. At full capacity, the lake is 32 surface acres. The lake is spring fed and recharged by seasonal runoff and groundwater discharge seeps, and baseflows into the Zuni River. Therefore, water levels fluctuate year by year. Rainbow Trout and Channel Catfish are stocked annually to support a put-grow and take fishery.
3. Nutria #4 – Cool water fishery. The lake is 14 miles northeast of the Zuni Pueblo. At full capacity, the lake is 88 surface acres. The lake is recharged by seasonal runoff from Rio Nutria. Therefore, the water levels fluctuate year by year. Rainbow trout and Channel Catfish are stocked annually to support a put-grow and take fishery when conditions are favorable.
4. Nutria #2 – Cool water fishery. The lake is 11 miles northeast of Zuni Pueblo. At full capacity, the lake is 418 surface acres. The lake is recharged by seasonal runoff from Rio Nutria. Therefore, water levels fluctuate year by year. Rainbow Trout and Channel Catfish are stocked annually to support put and take fishery when conditions are favorable.
5. Blackrock reservoir – Cool water fishery. The lake is located 4 miles northeast of Zuni Pueblo. At full capacity, the lake is 436 surface acres. The lake is recharged by seasonal runoff from the

Zuni River; therefore water levels fluctuate year to year. Rainbow trout and Channel catfish are stocked annually to support a put and take fishery when conditions are favorable.

Boating Rules & Regulations

- The use of a gas-powered motor on any Zuni Lake is prohibited unless authorized by the Zuni Fish & Wildlife Department.
- Only battery powered trolling motors are allowed on Zuni Lakes.
- All persons in canoe, kayaks, or rafts must wear a personal flotation device while the vessel is underway.
- Children 12 years and younger must wear a personal flotation device at all times.
- A boating license is required for canoes, kayaks, or rafts, paddleboards, etc.
- Each vessel must carry a flotation device in good condition for each person on board and oars/paddle.
- Boating while under the influence of drugs or alcohol is prohibited.
- Clean, drain, and dry your boat and gear to stop aquatic invasive species.

Aquatic Invasive Species

Aquatic Invasive species (AIS) are any nonnative plants, animals, or pathogens that can harm our aquatic bodies, environment, and the economy. The Zuni Fish & Wildlife Department works with the U.S Fish & Wildlife Service (USFWS) and the Southwest Tribal Fisheries Commission to help stop the spread of AIS.

How You Can Help:

- Remove mud and aquatic plants from boats, trailers, gear including waders, wader boots, life jackets, oar/paddle, etc.
- Pull drain plugs and empty live wells.
- Air and sun-dry boat compartments & equipment.
- Transfer of live fish from one waterbody to another is unlawful.
- AIS threats posed in New Mexico:
 - New Zealand Mud Snails
 - Zebra Mussels – moss balls sold in pet stores were recently discovered to contain invasive Zebra mussels. If you recently made a purchase of moss balls from any pet store, online, or any other source please visit the New Mexico Department AIS webpage: <https://www.wildlife.state.nm.us/fishing/fishing-regulations/aquatic-invasive-species/> or call NM AIS Coordinator: (505) 629-9867.

PENALTIES

Violation of any provision of this Code or any regulation or proclamation issued there under by the Zuni Tribal Council shall, unless otherwise designated, be a class B offense, a civil offense and may in addition to any other prescribe penalties, be punishable by revocation of fishing, hunting, trapping licenses, confiscation, and forfeiture of all equipment. The provisions for penalties herein shall apply to all persons, both members and non-members of the Tribe alike, unless otherwise provided herein. At the time an arrest is made and/or citation issued for violation of this code, the arresting officer may confiscate any fishing equipment, rifles, weapons or other fishing or hunting equipment or paraphernalia as reasonably appears to have been involved in the commission of the violation for which the arrest was made and shall give the person from whom such things are taken an itemized receipt for all such confiscated items. The court, when hearing the case concerning the alleged violation may, in addition to any other penalty imposed upon finding of guilt, order the forfeiture to the Department of all or part of the confiscated items.

The Zuni Indian Reservation is Tribal Land and is not open to unauthorized public use. All visitors are expected to abide by all Fish and Wildlife Department and other Tribal Regulations. Please see Section on hiking for additional Rules and Regulations. This proclamation will remain in effect until a subsequent proclamation is approved.
